

A black and white photograph of a crowded party. In the foreground, a man with light-colored hair looks directly at the camera. Behind him, several other people are visible, including a man in a dark suit and tie, and a woman in a plaid jacket. The background is filled with more people and party elements like a basket and a table. A large red overlay with a white hexagonal border is centered in the upper half of the image. Inside the hexagon, the word "CITIZEN" is written in a bold, white, sans-serif font. Below it, the words "Beverly Hills" are written in a smaller, white, cursive font.

Private Events & Parties

Well, Hello There!

*Welcome to Citizen,
a vibrant and social
dining experience.*

Warm and inviting, Citizen's atmosphere is uniquely suited for hosting a variety of occasions. The set comes complete with an outdoor patio, fire pit and craft cocktails. Consider us the living room of Beverly Hills.

Let's make a few memories.

Located in the Heart of Beverly Hills

Located in the heart of Beverly Hills, on N. Canon Drive between Wilshire and Dayton, Citizen's eclectic and open design can accommodate groups up to 225. Our space is perfect for schmoozing, boozing, making deals or any other shenanigans – appropriate or otherwise.

Our chef will craft a menu perfect for your party and our experienced team will handle all of the details. Whether you're planning a special occasion, hosting an event, or just getting together with your favorite people, Citizen will help you celebrate in style.

Our Spaces

Our semi-private dining room, main dining room, bar and open-air lounge accommodate groups up to 225. Inspired by the earthy and eclectic homes that dot Laurel Canyon and the Hollywood Hills, Citizen's aesthetic evokes the rebellious glamour of the 1960s but with modern day appeal. Accented with subtle nods to the past, the space features large glowing pendants, a sculptural brick wall relief, eclectic wall-hung tapestries and handmade macramé screens. The retractable glass facade opens to reveal a dynamic indoor outdoor patio, completed by comfortable lounge seating and fire pit.

Dine & Imbibe

Citizen is a social dining experience featuring a New American menu created by Chef Seth Greenburg, highlighting the global flavors of Los Angeles. Our chef is happy to work with you to customize your menu and accommodate allergies or dietary preferences.

Our drink menu is inspired by the iconic drinks of the 1960s. Referencing the past yet built for a modern palate, classic selections feature only all-natural ingredients and the finest spirits. Our wine program offers unique and interesting wines from the US and abroad, while our beer program features drafts as well as cans and bottles. If vintage spirits are more your style, we'll share with you our reserve list, which features rare bottles from the 1960s through today.

Hospitality

Dining at Citizen is a social experience and every guest is a VIP. They say if you spend enough time in a particular restaurant or bar, you become a citizen there. We look forward to welcoming you and your guests.
